

Wills Creek Percherons

Standing Robinlawns Black Ice

Wills Creek Percherons Breeding Terms for 2012

Indicate how many services you will be purchasing for **Robinlawn's Black Ice**: _____.

THE BREEDING FEE, \$_____ is due prior to the semen being shipped. We guarantee viable semen. The semen is tested prior to shipment for morphology including pH, motility, and concentration. Semen extender will include antibiotics for greater mare protection. Semen Extender without antibiotics will be available upon request.

ADDITIONAL FEES MAY APPLY. The breeding fee includes collection of semen but **not shipping** fees (Fedex, etc). These will be invoiced at the close of each month's billing cycle. There is a \$50 collection fee for each additional semen collection required for each mare. Any air shipments will include a handling charge (mileage, etc). Shipping charges will be dependent upon the carrier and the destination.

ON FARM BREEDING – There is a \$10/day boarding fee for mare with no foal or \$12/day for a mare with foal. This fee covers feed, bedding, pasturing, and handling.

VETERINARIAN FEES – Veterinary care including health checks, follicular development and pregnancy checks, will be provided at our discretion and/or upon request of the mare owner. These charges will be at the expense of the mare owner.

LIABILITY – Mare owners agree to hold harmless, WILLS CREEK PERCHERON FARM, WINDSONG ACRES, its employees and owners for accident, illness, or death of a mare and/or foal in our care.

RETURN OF SHIPPING CONTAINERS: Containers must be returned within 3 business days of insemination. The Certificate of Insemination must be returned with the container. Additional shipments will not be sent until the previous container is received. An additional fee of \$250.00 will be charged if container is not returned within 5 business days.

NORMAL ORDERING HOURS: Order semen before 7 P.M. the evening prior to the collection day.

NORMAL COLLECTION DAYS are to be Monday, Wednesday, and Fridays, however exceptions may be available. Our regular breeding season ends June 1.
